- Lidar
- Label img

### EDUCATION

#### Bachelor of Commerce in Computer Application

Valluvar College 2021 - 76%  
Karur, Tamil Nadu

#### HSC

P.A Vidya Bhavan Hr Sec School  
2021 - 75%  
Karur, Tamil Nadu

### ACHIEVEMENTS

Awarded Best Employee & QC Performer at Objectways

Active NSS and Rotaract member at Valluvar College.

### EXPERIENCE

#### OBJECTWAYS TECHNOLOGIES

(NOV 2021- APR 2025)

##### Team Lead , Karur

- Worked on multiple annotation projects including Autonomous Vehicle, Retail Store, and Face Point Detection using 2D/3D LiDAR, Bounding Box, Segmentation, Polygonal, and Video Annotation.
- Collaborated with clients to understand project requirements, resolve issues, and deliver high-quality outputs through Proof of Concepts (POC).
- Skilled in various annotation techniques: Key Point, Cuboid, Geospatial, and Labeling for Automobiles, Trucks, and Persons.
- Played a dual role in leading a team and performing audit reviews, ensuring accuracy, compliance, and timely delivery.

### JAVA PROJECTS

**PORTFOLIO** -  *Git-Link :-* <https://gowtham2803.github.io/Portfolio/>

#### QR CODE GENERATOR WEB APP

##### Tech Used: HTML, CSS, JavaScript, QRCode.js

- Built a responsive web app to generate and download QR codes based on user input using the QRCode.js library.
- Added validation to support both text and URL input, ensuring a user-friendly experience.
- Styled with modern CSS including glassmorphism and mobile-first design for a polished look.

 *Git-Link :-* <https://gowtham2803.github.io/OR-Generator/>

#### RECHARGEX\_PRO – ONLINE MOBILE RECHARGE PLATFORM

##### Tech Used: Java (JSP/Servlets), MySQL, HTML, CSS, and JDBC

Implemented secure authentication with BCrypt, optimized database interactions, and designed a responsive UI to enhance user experience and reliability.

### CERTIFICATIONS

#### PYTHON & DJANGO

*SLA Institute, Chennai — 2023*

#### JAVA FULLSTACK DEVELOPMENT

*SLA Institute, Chennai — 2025*
